---

### Experience

---

#### General Assembly / Student

Oct 2016 - Jan 2017, San Francisco

Learned various web technologies and completed full stack web applications in one week sprints.

[Pupshare](#): Group project, implemented error handling, user authentication, database models.

Technologies used: HTML, CSS, Bootstrap, Ruby, Ruby on Rails, Github, Heroku, Postgres

[ReviewThatBook](#): Created entire web app, front and back-end.

Technologies used: HTML, CSS, Bootstrap, Ruby, Ruby on Rails, Github, Heroku, Postgres

#### Mixt Greens / Catering Manager

July 2013 - June 2016, San Francisco

Interacted with customers and receive orders, processed and manage customer issues, as well as hired and trained staff. Prepared several catering orders and maintained a database of client orders.

#### Astolfi Art / Assistant Gallery Director

Jan 2011 - June 2013, San Francisco

Maintained and allocated gallery finances, took current inventory of all work in gallery and on consignment. Met with clients and assisted with art placement, framing and building a thoughtful collection, while actively working to promote gallery and artists represented. Prepared press releases for upcoming exhibition shows.

---
